Governance Committee

P.J. Davis advised that they are continuing to revise language to change awards when in the scope of work of another entity applied for the same scope of work (go to RFP, not funded?). Another issue if entity is awarded multi-year funding and then realize they cannot use it all (disburse to other entity's fund in same county, go back to county?).

Youth Advisory Committee

P.J. Davis displayed new flyer for the Youth Action Board that has coded link to information and new email address (cscocyouth@gmail.com). They are also collecting applications for planning grant as not know if HUD will have a special grant for this. Steven Christensen advised a new opportunity is being formed in Amador County to reduce and prevent substance use – Substance Solutions for Amador Youth Coalition (SSAY) which is developing a Youth Coalition component to help youth take active role in community and is being lead by Pat Porto of Amador Tuolumne Community Action Agency (ATCAA) and may be possible connection for this Committee.

Review/Rank and Fund Committee

Denise Cloward advised of the upcoming release of NOFA on 5/6/2022 and will add a recommendation pack regarding non-competitive applications and how many competitive will be allowed (previously 3).

Joe Bors advised Youth Action Board will include 4 14-24 year old youth whereas HUD projects 18-24 year old youth.

Denise Cloward advised HHAP Round 3 has new instructions and scoring documents which will be dropped beginning of June and published end of June.

CES/HMIS Committee

Veterans Committee

P.J. Davis reported they are working on a Veteran's resource list and will open to general membership to see what they may want to add. Continuing to work on by-name list. Working with CES/HMIS Committee to make sure Veterans are considered in PIT. On June 1st will conduct assessment and referral process review.

9.2 Homeless Task Forces (Amador/Calaveras/Mariposa/Tuolumne)

<u>Amador</u>

<u>Mariposa</u>

Conducted a 2-day outreach event to engage folks in camps including helping complete apartment applications, trying to connect with family, car repairs, provided lunch, CMCAA came with kits and there is another task force meeting this afternoon.

<u>Tuolumne</u>

An ad hoc committee presented to County staff a list of county properties with a short list of those that could accommodate outdoor sanction sites. County voted to increase funds to contractors and entities providing RR. Working on data base, reviewed needs and policies and developed pamphlet of services. Want to contact other counties to see what they do.

State will be looking at meeting metrics in HMIS, data sharing, health plans, data entry. The State will look at coordinating with CoCs to drawn down funding and invest it back into the community. (Additional information in March 30, 2022 minutes provided by Amber Kemp presentation).
