

10. Renewal Projects:

Performance outcomes from APR report/HMIS:	Was the Goal Met or reasonably explained if not met?	Points
Length of stay		
% permanent housing exit destinations		
% increase or maintain income		
Bed Utilization rates		
Frequency or Amount of Funds recaptured by HUD		
Date quality at 90% or above		

Points Range 0-15 (0-3 points each)

Points awarded: \_\_\_\_\_

11. Policy Priorities (If HMIS Project, skip to number 12)

- a. Strategic Resource Allocation (0-10 points) \_\_\_\_\_
  - i. Is this project likely to reduce homelessness within the CoC?
  - ii. Does the project maximize use of available mainstream resources?
  - iii. Has the project demonstrated an ability to meet funding match requirements and leveraged available resources?
  
- b. Ending Chronic Homelessness (0-5 points) \_\_\_\_\_
  - i. Does the project increase or maintain the number of available units designated for chronically homeless individuals and/or families?
  - ii. Does the project prioritize chronically homeless for vacancies of permanent supportive housing beds not designated for chronically homeless?
  
- c. Ending Family Homelessness (0-5 points) \_\_\_\_\_
  - i. Does the project provide a means for families experiencing homelessness to be housed quickly and stably using rapid re-housing or permanent supportive housing for families?
  
- d. Ending Youth Homelessness (0-5 points) \_\_\_\_\_
  - i. Does the project address the unique needs of homeless youth?
  
- e. Ending Veteran Homelessness (0-5 points) \_\_\_\_\_
  - i. Does the project prioritize veterans and their families who cannot be effectively assisted with Department of Veterans Affairs (VA) services?

- f. Using a Housing First Approach (0-10 points) \_\_\_\_\_
- i. Does the project use a Housing First approach by removing barriers in their eligibility criteria and program policies?
  - ii. Does the project prioritize those who are identified as most in need for placement in appropriate housing?
  - iii. Is this project committed to participate in Coordinated Entry Systems?

**Points Range 0-40**

**Points awarded: \_\_\_\_\_**

12. HMIS Projects Only:

All CoC funded projects must enter data into a HUD compliant Homeless Management Information System (HMIS). The CoC is responsible for providing an HMIS for use by all member organizations. HMIS projects should include: Vendor licensing, training and technical support, data quality monitoring, and reporting. Does this application meet these requirements?

**Points Range 0-40**

**Points awarded: \_\_\_\_\_**

**THE TWO QUESTIONS BELOW WILL NOT HAVE POINTS AND ARE NOT PART OF THE SCORING PROCESS:**

13. Submit spend out plan if you have not used all of your funding

14. Would you consider reducing your funding for your project to reallocate some funds to HMIS? If yes, how much are you willing to reallocate? \_\_\_\_\_
